Re: Partnership in regards to the refugees resulting from the war in Syria

Refugee Sponsorship of Greater Montreal (RSGM) and the Islamic Centre of Quebec (ICQ) are happy to announce that they will partner together to sponsor and facilitate the arrival of families of refugees to start a new life in Canada.

The Islamic Centre of Quebec was founded in 1965 and is the first mosque in Quebec and one of the most important Mosques in Montreal. ICQ has been involved in many philanthropic and humanitarian activities throughout their long existence. Refugee Sponsorship of Greater Montreal is a not for profit organization, founded in 2015, to assist and support refugees and their families upon their arrival in Canada. RSGM is currently involved in assisting over 250 families who have been accepted as refugees and have or will soon arrive into Canada.

ICQ and RSGM will work together to act as sponsor and to provide the support upon arrival that the families will require in order to get them a new start and help their integration into Canadian society.
